

Friends of the Canby Adult Center – join now!

The Canby Adult Center enhances the quality of life for senior citizens by providing nutritional, social, health and fitness and educational services, including outreach to seniors who need support in order to continue living in their own homes. The CAC also serves as a meeting place for a variety of service groups and events, in keeping with its more general mission as a community center. Services are supported through a combination of government funds, investment income, fundraisers and membership dues from seniors and other members of the Canby community who want to contribute to the CAC mission.

Benefits of membership:

- *Receive our monthly newsletter – learn what's going on at the Center.*
- *Vote in annual Board elections; right to attend and participate in annual General meeting as well as monthly Board meetings.*
- *25% discount on all building rentals*
- *Your membership helps support on-site and home delivered, highly appreciated hot meals, fitness and other health services, a medical equipment exchange, day trips, and a variety of other recreation, information and essential support services for senior citizens and others in the Canby area.*
